

THE FEMALE CONDOM IS BACK

AND BETTER

THAN EVER!

DUAL POWERS!

PREVENTS HIV TRANSMISSION AND PREGNANCY!

SUPERPOWERS INCLUDE....

MORE PROTECTED SEX ACTS

Studies found that female condoms, when programmed alongside male condoms, increase the number of protected sex acts.¹

SAVES MONEY

A female condom program in Washington, D.C., prevented enough infections in its first year to save more than \$8 million in future medical costs.²

INCREASES GENDER EQUALITY

Female condoms give women something they may have never had before — a woman-initiated tool to protect their health.
